Dear Comrade,

## CITIZENS' CONVENTION

UNIVERSITY INSTITUTE HALL, KOLKATA

23<sup>RD</sup> JULY, 2023 FROM 5 PM ONWARDS

We cordially solicit your august presence in the above-mentioned Convention, organised under the aegis of **Bank Bachao Desh Bachao Manch**, a platform which has been launched to connect with various sections of the civil society with the aim and intention to mobilise public opinion against Bank Privatisation.

02. We place on record our deepest appreciation to your organisation, which has been opposing the nefarious design of the government of the state owned telecom companies along with other public sector enterprises with the intent of jeopardizing the basic tenets of our welfare economy causing a deep angst and wrath as well across the different strata of our society.

03. This colossal fight against the present ruling dispensation, which has been pursuing demolition of the public sector relentlessly, cannot merely be confined to PSU workers alone. There was a felt need to connect with the various cross sections of the civil society who would be affected in the event of bank privatisation and hence this platform has been formed, which has received appreciation and support from fields as diverse as students, youth, IT workers' union, PSU retirees' association, farmers' organisations, academicians, gig workers, eminent academicians, advocates, intellectual and many other sectors.

04. We, therefore, will deem it a privilege if you grace this convention and address the august house, which will definitely add a different dimension to our initiative. In case you are not able to attend personally, we look forward to the presence of senior Sanchar Nigam Pensioners' Welfare Association state leadership to address the convention. We would also appreciate if you can express your solidarity to the movement and initiatives organised under the aegis of Bank Bachao Desh Bachao Manch.
