To

Respected Sh. Mansukh L. Mandaviya ji,  
Hon. MOH & FW  
New Delhi

Sub Dispassionate request to kindly direct concerned officers, particularly DG/ CGHS, to revisit the rates for dianostic tests, other crucial procedures etc which remain unchanged.

Honourble Sir

We are deeply indebted to your good self for your kind personal intervention in sanctioning about Rs 300 crores for revision of CGHS rates regarding consultation charges, room rent and ICU charges. This will indeed be a great relief for the beneficiaries, who expect that Hospitals will no longer drive them out the way they were being and still are ruthlessly and very pathetically treated by some empanelled Hospitals.

At the same time, most respected Sir, we may be permitted to point out that many of the de-empanelled hospitals are still reluctant to come to terms. Their stand is that the rates for diagnostic tests and other crucial procedures remain untouched even in the recent revisions approved by your good self

Our earnest plea to your good self, who is very keen to alleviate the miseries of the beneficiaries including old age pensioners, is that if we are to get any benefit from the revision, this aspect has also to be revisited suitably and favourable revisions in the rates of diagnostic tests and other crucial procedures have to be effected to ensure that Revision already effected in respect of Room Rent, Consultation charges etc becomes meaningful and the desired and crucial objective to provide hassle free services to the beneficiaries is accomplished holistically.

Ever grateful for your gracious and benign intervention.

Warm Regards,

Yours Sincerely,

G. L. Jogi

General Secretary.
