SNPWA/CHQ/AD CGHS East Zone Delhi/1/21

Dated 6th Oct.,21.

To,

Dr Shashi Satija,
Additional Director/ East Zone,
New Delhi.

Sub; Acute shortage of doctors and other paramedical staff at Vaishali WC Ghaziabad, resulting in untold misery and suffering of CGHS beneficiaries of Vaishali WC. Immediate action required to mitigate their Agony.

Respected Madam;

We are informed that about 36,000 CGHS beneficiaries are attached to Vaishali WC, Ghaziabad, and for quite some time five doctors, including the CMO, instead of sanctioned strength of 9 are posted there. The netresult of this is that beneficiaries have been experiencing untold suffering and misery because of acute scarcity of doctors and other staff.

One can easily understand the light of these beneficiaries. They go to dispensary in the morning and by 2pm doctors stop seeing any patients after finishing their so called allotted quota and beneficiaries have to return to visit next or even 3rd day. This horrible and unacceptable state of affairs has been going on for a pretty long time, without any action being taken by the concerned authorities to address the issue by posting additional doctors

and other associated staff. It is learnt that beneficiaries have been moving from pillar to post to get the issue addressed but without any results.

This apathy and lack of concern in allowing suffering and agony to continue is really something that is incomprehensible, rather unpardonable.

Against the background of the facts mentioned above, we are quite confident that you will act on a war footing basis to immediately address the agony and pain that CGHS beneficiaries have been suffering for quite some time. A very expeditious and fruitful action to mitigate the suffering of the beneficiaries would be highly appreciated.

With kind regards,

Sincerely yours,
