Sub: Warm welcome as head of the Telecom Department from our Association.

Respected Sir,

On behalf of 10, 000 Pensioners of BSNL/MTNL, having got absorbed from DOT, I convey you our fraternal greetings and best wishes on your assuming the Charge of Secy/ DOT. Your track records in the previous assignments are beyond compare and that instills in us great confidence that as head of the Telecom Department, your good self will competently control the Telecom developments of the country, the backbone of its progress.

Sir, In keeping with the oft repeated assertions of the Hon'ble PM that Senior Citizens are the assets of the Nation, who need to be treated with huge compassion and concern, we are confident that the Pensioners of BSNL/ MTNL who have been suffering miserably for last seven years due to non-resolution of their legitimate right of Pension Revision will receive your benign and prompt attention, in keeping with consistent pleadings by Hon PM to the bureaucracy that issues relating to Senior Citizens require very prompt intervention of the Bureaucracy to holistically address their genuine issues. Needless to say that the abnormal delay in Pension Revision of BSNL/ MTNL will receive your expeditious attention . We shall shortly be submitting a comprehensive note on this crucial issue.

However, at this point of time, intended exclusively to convey our very best wishes for your enduring and huge success in driving Telecom Sector to the pinnacles of glory by framing policies and strategies that position the Nation in the Driver's Seat in the Telecom Sector in the International arena, we do not want to expend any more time on any other issue.

Sir, with great pleasure, we express our pride in having you as the head and extend our whole-hearted support in positively driving the Telecom Sector in the Country, forward.

With kind regards and greetings  
Sincerely yours,

G. L. Jogi  
General Secretary
