SNPWA/ CHQ/ADMSD/1/25. Dated 27th March, 25.

Dr N.K. Kashyap,
AD/ MSD, Gole Market,
New Delhi.

Sub :Request to kindly procure life saving Drug of MS Irfana Shafiq, Ben no 8010394, on highest priority since tge beneficiary is struggling for survival.

Sir

The aforesaid beneficiary is suffering from a life threatening disease in an advanced stage and is in a very precarious condition, undergoing treatment presently at Max Hospital Saket.

She has been prescribed medicines mentioned in the CGHS TOKEN enclosed herewith.

Unfortunately, critical medicine mentioned at **S NO 2, RIBOCICLIBSUU 200mg**, is, as we understand, out of stock.

The said medicine is highly expensive and is beyond the reach of the Beneficiary to procure it locally.

Since the said medicine has to be administered immediately, it is humbly requested to procure the said medicine on highest priority to ensure that the life of the Beneficiary is not endangered since further delay in administration of tge said medicine has the potential of being fatal

Confident that there would be no delay in procurement of medicine for which we shall be extremely grateful

.Warm Regards

Sincerely Yours

(G.L.Jogi)
