Sub; Request to expedite approval for implantation of DBS(Deep Brain Stimulation) Surgery in respect of Sh Subrata Mukherjee, Ben ID 7088900, who is in critical condition and struggling for survival

AD/ Kolkatta office no-8320519

Respected Sir

The above mentioned beneficiary is suffering from **Terminal Advanced Parkinson's Disease** and his condition is very very precarious, he is just struggling for survival

Neuro Specialists at NIMHANS Bengaluru, AIIMS Kalyani etc have emphatically advised him to immediately go in for implanting of DBS.

Explicit instructions have been issued by MOH& FW Vide F. No Z1505/44/2023/Dir/ CGHS/ EHS (Comp no 8253711) 1/3705508/2024Dated 9.9.24. according approval for implantation of DBS device Subject to approval by the Standing Technical Committee

The basic requirement of the proposal having been recommended by the Neurologist of a Govt. Hospital has been met by the beneficiary and is been duly scrutinized and recommended by AD/ Kolkatta to your office on 8th Feb, 25

It has been now about 50 days that the proposal for your kind approval has been sent by AD/ Kolkatta but unfortunately the said approval is awaited.

Sir, keeping in view the criticality of the beneficiary and the fact that he is desperately awaiting for it in view of his very precarious condition, it is kindly requested to give highest priority to the proposal for your benign approval at the earliest

We are confident, Sir, that keeping in view the seriousness of the aforesaid facts, the issue will receive your prompt and serious intervention for according approval.

Warm Regards
Sincerely yours

(G.L.Jogi)
