Dr Manoj Govil,

Secy/ D.O.E, North Block

New Delhi.

Sub Expansion of Critical Welfare Measure of the Govt., CGHS, getting derailed and defeated due to unacceptable, inexplicable and Inordinate delay and bureaucratic red tape in according approval for Sanction of Expenditure for setting up of new WCs

Sir

CGHS authorities in MOH& FW are putting in their very best efforts to give real fillip to a prestigious and time tested Health Welfare Measure of the Govt, the CGHS. This critical Welfare Measure of the Govt. caters to lakhs and lakhs of Senior Citizens of the Country, the Pensioners, besides lakhs and lakhs of serving Central Govt. Employees.

What is extremely pertinent for you and BABUS in your Department to know is that CGHS facilities, as of now, are not available in about 70 to 80 % of the Country. And it is really unfortunate that BIG BABUS in your Organization have to be reminded about oft repeated and persistent emphasis laid by Hon PM that Policy Makers in the Govt. must strive very very hard and act swiftly in decision making to make Welfare Measures as much accessible as possible and ensure that the benefits of these measures reach people living in inaccessible areas. To accomplish this, Hon PM has been urging Bureaucracy to get rid of bureaucratic red tape that continues to plague and defeat the objective of these measures. Critical policy transformation to be brought about through technological and innovative means to accelerate decision making appears to be missing in your Organization

Unfortunately, strenuous and sustained efforts being made by policy Makers in MOH& FW to make CGHS facilities as much accessible as possible are being derailed and defeated by

COLONIAL BABUDOM that continues to Rein Supreme in D.O E. No surprise, thus, that decision making in D.O. E continues to be as retrograde and perverse as it was during British Era and this is the consequence of that. .

Sir, It has been now more than eight months that MOH& FW has sent proposals to accord approval for Sanctioning of expenditure for setting up of WCs at Udaipur, Tirupati, Hubli, Sahkanagar(Bangalore), Kollam, Vasco de gamma, Alwar, Bharatpur but the proposals are gathering dust at your end despite repeated reminders from MOH& FW.This kind of incompressible and unexplained delay brings disrepute to policy Makers in MOH& FW who are striving hard to enhance the footprint of CGHS and take it to as many inaccessible areas as possible in keeping with the Promise that the Hon PM has made to the Countrymen.

Your very personal intervention is, therefore, solicited to direct the concerned officers to act and decide expeditiously and not to delay according of approval further since the delay is already tarnishing the image and credibility of the Govt. in a big way.

We believe that matter will be treated with the kind of seriousness and urgency that it deserves for obvious reasons.

Warm Regards

Sincerely yours

(G.L.Jogi)
