SNPWA/ CHQ/ Director CGHS/ 4/ 23

Dated 12th June, 23.

To

Respected Dr Manoj Jain,
Director/ CGHS. ND

Sub: Beneficiaries of Kashmir Valley being impacted adversely in every possible manner like anything, with no empanelled Hospital, no diagnostic centre and now their suffering and misery has touched unprecedented heights since ALC has stopped supplying medicines for last about two months

Respected Sir

Beneficiaries in general have enormous hopes and confidence from your goodself, keeping in view your benevolence, since your taking over as Director that their issues would be resolved and sufferings mitigated as quickly as possible.

In this connection Beneficiaries at Kashmir are worst sufferers in every possible manner. There is not a single empanelled Hospital, diagnostic centre etc. After lot of strenuous efforts for about a year by AD/ Chandigarh, an ALC was finalized about four months back who started supplying medicines.

Now for last two months, the concerned ALC has stopped supplying medicines since his payments were held for some reasons. We understand from AD/ Chandigarh that his outstanding amount has been cleared by him and sent to CGHS HQs for clearance. It is pending with PAO for a pretty long time, thus subjecting Beneficiaries to unprecedented and pitiable conditions.

Respected sir, CGHS centre without an empanelled Hospital, diagnostic centre and now without medicines has absolutely no meaning, making the very existence of CGHS WC redundant.

In view of these intensely miserable conditions that beneficiaries at Kashmir are faced with, your benevolent intervention is kindly solicited on highest priority to get the bills of the concerned ALC cleared as expeditiously as possible so that WC is at least in a position to supply the medicines, bare minimum possible requirement..

Looking forward to your benign intervention with due urgency and seriousness that the matter deserves.

Sincerely yours

(G.L.Jogi)
