Subject: Heartfelt gratitude for your fair, prompt and decisive intervention in securing justice to the ST retirees of Maharashtra Circle.

Respected Sir

On behalf of the Central Headquarters of the Sanchar Nigam Pensioners' Welfare Association (SNPWA), we convey our heartfelt gratitude and profound appreciation for your firm, fair, swift and positive intervention in resolving the long-pending grievance of the Scheduled Tribe retirees of Maharashtra Circle, who had been unjustly deprived of their legitimate retiral benefits for several years.

Your timely action has restored the faith of hundreds of affected retirees and their families in the principles of natural justice, fairness and compassionate administration. But for your judicious, unbiased and sincere efforts, this unfortunate injustice would have continued to linger, causing further hardship to innocent pensioners who had already suffered immeasurably.

Your intervention is a shining example of how fairness, objectivity and adherence to the rule of law can successfully resolve even the most complex and protracted issues. It demonstrates that when public authorities act with integrity, sensitivity and a genuine commitment to justice, longstanding grievances can be resolved without delay.

We place on record our deep appreciation for the leadership displayed by you in ensuring that justice ultimately prevailed. Your actions have brought immense relief to the affected retirees and their families and have reinforced public confidence in the Department of Telecommunications.

Please accept our sincere thanks and best wishes. We are confident that your continued commitment to justice and equitable administration will remain an inspiration to all public servants.

We shall also be extremely thankful to you to spare just a few minutes of your precious time to enable us to convey our gratitude to you personally* *Sir This will give us personal satisfaction.

With highest regards,

Yours faithfully,

**(G. L. Jogi)
